Data protection statement

In accordance with the Data Protection Act NatSCA wishes to inform its members that it holds information about them on a database. This information is purely used for NatSCA purposes (mailings to membership) and is not passed on to any other organisation. You can elect to have your name removed from the database but this will mean we are unable to mail you any information. Please inform us by contacting the membership secretary if you wish to have your name removed from the database.
